

## COMING SOON! Update to the Hendrix Internship Program

We have great news! After two years of research, conversations with faculty, and (*most importantly*) listening to students like you, the Internship Program at Hendrix is finally getting an update!

Starting in the SUMMER of 2025:

Simplified Program:

- Ø Streamlined registration process through Career Services.

- Ø Streamlined program:

  - Odyssey-Only Internships will work only with Career Services.

  - Odyssey + Academic Credit Internships will work with a designated Faculty Mentor (no more searching for a faculty sponsor)!

  - All interns will be able to focus most of their time AT the internship site!

Additional Benefits:

- Ø Summer internships taken for academic credit will gain credit IN THE SUMMER (not the fall)!

- Ø Group model! Learn alongside your peers!

Watch for an email from Academic Affairs with additional information (early Spring 2025). For questions, contact [CareerServices@Hendrix.edu](mailto:CareerServices@Hendrix.edu).
